

## Best Practise 1

### Green Initiative

On 9<sup>th</sup> June, 2023 as a part of Green Campus Initiative, and to commemorate World Environment Day, celebrated on 5<sup>th</sup> June, the college was declared Plastic Restricted Zone. The event was graced by the presence of Smt. Devjani Kumar, Hon'ble president, Governing Body, Deshbandhu College for Girls, Dr. Anita Chattopadhyay Gupta, Principal of the College, Dr. Mausumi Chatterjee, Principal, Gurudas College (a collaborating College, with whom we have a functional MoU), and Sri Arup Bhattacharyya, Secretary, Mother Earth Foundation (a collaborating NGO, with whom we have a functional MoU). It must be mentioned here that Mother Earth Foundation works in the field of environment, and many green initiatives on the College campus, is actually a joint venture between Deshbandhu College for Girls and Mother Earth Foundation.

Mother Earth Foundation helped us to develop a composting unit at the backyard, that was also inaugurated by throwing in decomposable leaves and tree branches. Tree plantation programmes are also held regularly on and off-campus to promote all round greenery.
