A seminar titled "Career and Placement Opportunity in IT Industry" organized by APTECH Learning on 6.12.2022

Total number of students: **73**

The Aptech Computer Education Centre, Hazra, Kolkata, visited the campus in the month of December, 2022. To enhance the chief ambition of the college, that is to open the field of job opportunities before the young pass-outs, the college and Aptech Computer Education centre came together and arranged for a seminar on 6th December, 2022 for the students. The motto of the institution was to motivate the students towards learning and acquainting themselves with various aptitudes of computer through various courses, which will help them in their placement in the IT industry too.

The placement cell was successful in achieving what it wanted as it found that many students were convinced about the importance of skill aptitudes in various computer programmes.
